Looking for a great Kid's Summer Camp Program?  
 Are your children always helping in the kitchen,  
 asking to bake cookies or how to cook?  
 Then Zehnder's "Culinary Skills with a Splash"  
 Day Camp is perfect for your child!

### What Will Your Child Experience?

The day begins with our professional bakers teaching your children how to make fresh baked goods from scratch. They may even bring some goodies home to share.

Next, they meet our Chefs who give hands on instructions on preparing their lunch from start to finish. Before and during lunch, campers will be taught some basic dining etiquette and table manners each day.

After lunch, there is a craft time and golf at The Fortress where campers will participate in golf activities. Each day will conclude with time to play at Zehnder's Splash Village Hotel & Waterpark.
