

Zehnder's Splash Village COVID-19 Response

Employee Guidelines & Expectations

- All employees will be required to participate in general and departmental COVID-19 training
- All employees must wash their hands prior to their shift, as well as before and after completing tasks or breaks.
- Employees are subject to health and/or thermal screening by our Security team before entering. This includes:
 - Health and safety questions.
 - Thermal checking.
 - Cleanliness and appearance checking.
 - If it appears that an employee has not laundered their uniform or bathed, they are sent home immediately.

Safety and Sanitation Expectations

- During return to work re-training, staff will be informed of the need to:
 - Wear a mask at all times in the proper way (covering mouth and nose).
 - Avoid touching face, mouth, nose, eyes, etc.
 - Cover mouth and nose when coughing or sneezing and change mask after coughing or sneezing into it.
 - Wash hands for 20 seconds every hour at a minimum.
 - Sanitize equipment after each use and work area after each shift.
 - Encourage "stations" in work areas to stay 6 feet apart.
 - When necessary, have employees work side by side versus face to face.
 - Observe social distancing of 6 feet between people whenever possible.
