

# Zehnder's Splash Village COVID-19 Response

## Food & Beverage

To promote a safe environment for both our guests and our employees we will be implementing these procedures in the Food & Beverage department at Zehnder's Splash Village.

### **Maintaining Healthy Environments:**

- Staff will be cleaning and disinfecting frequently touched surfaces before food service opens and at a minimum of every hour. This is including but not limited to:
  - Countertops
  - Railings
  - Hostess station
  - Point of sale screens
  - Telephones
  - Frequently used handles and equipment
  - Carts
- Condiment bottles and stations will be removed and replaced with individual packets and portions.
- Buffets and self-serve beverage stations will be discontinued and replaced with staff-served options.
- Dining room cutlery will be wrapped in cloth napkins and takeout cutlery will be wrapped in plastic.
- Dining room seating will be spaced to allow for at least 6 feet of physical distancing.
- Plexiglass barriers will be placed at all order windows.
- Menus will be sanitized after each use.
